**GENERAL NOTES AND STATEMENT OF LIMITATIONS,  
METHODOLOGY AND DISCLAIMER REGARDING THE  
DEBTORS' SCHEDULES AND STATEMENTS (THE "GLOBAL NOTES")**

**GENERAL**

On September 8, 2009 (the "Petition Date"), Trident Resources Corp., NexGen Energy Canada, Inc., Trident USA Corp., Trident CBM Corp. and Aurora Energy LLC (collectively, the "Debtors") each commenced a voluntary case under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Debtors' chapter 11 cases have been consolidated for procedural purposes only. The Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs ("Statements"), including all attachments thereto, have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited.

While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors and their advisors. Unless otherwise noted, the information set forth herein is as of September 8, 2009. Subsequent receipt of information may result in material changes in financial data requiring amendment of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements. The Debtors reserve their rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding the Debtors' Schedules and Statements comprise an integral part of the Schedules and Statements filed by the Debtors, and should be referenced in connection with any review of the Schedules and Statements. Moreover, these Global Notes are in addition to any specific notes contained in the Debtors' Schedules or Statements. The fact that the Debtors have included notes with respect to any specific item in the Schedules or Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such a note to any other items in the remaining Schedules and Statements.

The Schedules and Statements have been signed by Alan G. Withey, in his capacity as Chief Financial Officer of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Withey has necessarily relied upon the efforts, statements, and representations of the Debtors' accounting and non-accounting personnel. Mr. Withey has not (and could not have) personally verified the accuracy of each such statement and representation.

**Amendment.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary and appropriate.

**Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars. In certain instances, amounts may have been converted to U.S. dollars from Canadian dollars. In those instances, an exchange rate of 1.0763 obtained from Bloomberg Wire Service as of the petition date was used.

**Book Value.** Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the book value of the asset or liability in the Debtors' accounting books and records, rather than the current market values of such interests in property and/or liabilities. The Debtors reserve their right to amend or adjust the value of each asset or liability.

### **Assets and Liabilities.**

Certain of the Debtors own rights to search for and extract natural gas from various parcels of land located throughout the United States. Those rights are reported in Schedule B with an unknown value as it would be unduly burdensome for the Debtors at this time to determine the value of those assets.

Unless otherwise noted, the liabilities listed represents amounts owed as of September 8, 2009. The Debtors have used their best efforts to allocate liabilities between the prepetition and postpetition periods based on the information available and research that was conducted in connection with the preparation of the Schedules and Statements although certain of the Debtors' liabilities are difficult to determine for a particular time period. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve their rights to change the allocation and amounts of liability to the extent additional information becomes available.

The Debtors have requested that they be authorized to pay certain of their prepetition obligations to, among others, insurance providers and taxing authorities. Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay certain prepetition obligations and therefore such liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

As part of the Debtors' business operations, in the ordinary course of business, the Debtors use a cash management system ("Cash Management System") similar to those used by other large corporate enterprises to transfer funds between and among the Debtors and their non-debtor affiliates in order to manage their respective operations and cash needs. Such transfers give rise to claims held by one Debtor against another Debtor or by a non-debtor affiliate against a Debtor, or vice versa, which are difficult to determine as of the Petition Date and therefore have not been listed in the Schedules. The Debtors reserve their rights to amend the Schedules and Statements to reflect such claims. The Debtors have requested and have been granted authority to continue employing their Cash Management System.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purportedly granted to a secured creditor listed on Schedule D or perfected in any specific asset.

**Insiders:** The inclusion of a payment to an entity in response to Question 23 of the Statement of Financial Affairs shall not be deemed to be an admission that the recipient of such payments is an “insider” within the meaning of the Bankruptcy Code and the Debtors reserve all rights in that regard.

**Reservation of Rights.** While every effort has been made to provide complete and accurate information, the Debtors hereby reserve all of their rights to amend or supplement the Schedules and Statements, as they deem necessary or appropriate.
